

Sponsor Letter

To Whom it may concern,

The Game Changers Social Organization is located in the county of Racine, serving the needs of families that are at risk. We are dedicated to enhancing the lives of its residents through social activities, events, and resources, in a safe and family friendly environment.

Our vision is to create a fun, positive and entertaining experience for everyone. The goal is to improve the quality of life for all by building and supporting the community. Over the past two years we have held a fundraiser to help support local group children's homes, collected donations for a children's toy drive, and participated in the 3rd Annual Racine Lakefront Expo sponsored by the African American Chamber of Commerce .

By collaborating with small businesses, we are able to help bridge the gap between families and the resources created to serve them. This goal can not be possible without the help and support of people like you. You and/or your organization can help build a better community by supporting our goals with funds, promotions, and/or supplies. These donations will assist families with their day to day necessities and supply funds to help aid in the efforts of our organization.

We have many events in the works for this year, family events, toy drives, supporting a local boys group home with supplies, joined in the American Cancer Society for breast cancer and the Lakefront Expo Fundraiser

We are a non-profit organization and your donation is tax deductible.

Thank you in advance for your support.
