

Mission Statement, Vision and Rules

Motto: “Unity In The Community”

Mission- Dedicated to enhancing social health and well-being of people within our community more collectively than separately regardless of age, race and color by building and supporting the community through social activities and various events in a safe, family and friendly atmosphere and/or environment.

Our Vision – Is to create a fun, positive and entertaining experience. We strive to alleviate the economic challenges faced by small business owners by bringing the community and businesses together collectively through organized fund raisers, events, donation events, etc, while also providing essential information to families within the community as well.

Purpose – Our focus is to bring families together, to promote and support small businesses within our community while creating an enjoyable environment to strengthen, unite and build our community together.

Rules- Anyone causing chaos will be voted out and have their money refunded.

No guns or alcohol at any of our events

You must have a job or a legitimate source of income, no drug dealers

No music of any kind with swearing in it, no loud music

No burn outs or excessive speeding

We will determine what we do based on voting, Majority rules.

No one may attend our events without an invitation

We choose new members wisely, based on the character, not on what they drive.
